Austen is a non-profit Club providing comfortable and convenient accommodation for individuals, families and groups who are looking for a really friendly place to stay, rather than in an impersonal Unit or Flat. Relax by the fire in the company of fellow skiers and find out where the best powder runs are.

The lodge commands breathtaking views of the adjacent mountains, and is surrounded by snow gums and wildlife. You can either self cater using the well-appointed kitchen, or enjoy the mountain restaurants that abound nearby.
